Hon. James Moore, P.C., M.P.
Minister of Canadian Heritage
15 Eddy Street, 12th Floor

Dear Minister:

I write to you today regarding the Canadian Museum for Human Rights and more specifically, the concern raised by the Ukrainian community in my riding. The self explanatory submission I received from the Calgary Branch of the Canadian Ukrainian Congress is enclosed herewith.

As you know, our Conservative government has done great work on this file thus far and I am proud to say that Human Rights have been a focal point in our government's foreign policy. Indeed, our Canadian Parliament was one of the first around the world to recognize the Holodomor genocide as just that: genocide.

I am aware you have also been in discussions with James Bezan, MP on this issue; however, I would like to add my voice in support of the Ukrainian community to recognize the Holodomor with a unique and appropriate place within the CMHR.

I thank you for your time and consideration. Your efforts towards a positive resolution of this issue are certainly appreciated.

Sincerely,

Devinder Shory, MP
