Canadian Minister of State Kent Attended Inauguration of Ukrainian President Yanukovych

The Honourable Peter Kent, Minister of State of Foreign Affairs (Americas) attended the February 25 inauguration of Viktor Yanukovych as Ukraine's new president.

"Canada congratulates Ukraine's newly elected president, Viktor Yanukovych, on his victory," said Minister of State Kent. "Canada looks forward to continuing to collaborate closely with Ukraine and to advancing common values and shared interests."

The Government of Canada is a strong supporter of Ukrainian democracy, and this is reflected by the fact that over 300 Canadian observers monitored the conduct of Ukraine's presidential elections. More than a million Canadian citizens are of Ukrainian origin. Canada is the fourth-largest donor of technical assistance to Ukraine, and the Canadian International Development Agency has designated Ukraine a country of focus. Canada is also a strong supporter of Ukraine's Euro-Atlantic aspirations.

Poem "Born in Ukraine" by a Ukrainian Immigrant (in Ukr)

Народжений в Україні

Великі українці народились за кордоном
А зараз вони в Україні
А я за кордоном
І тепер я їх розумію краще
Лише одну річ я не розумію
Що вони відчують, коли дивляться
На небо України?

Для мене ці хмари
Це запах, це колір, це дотик
Це перша незрозуміла закоханість
І картина Шевченка "Катерина"
Ви бачили, які він там намалював хмарини?
А я не просто бачив, я запам'ятав

Тому що моє щасливе дитинство
Пройшло в Україні
І я лежав на її теплій землі
Дивлячись на оті хмарини
І ховався від дощу
У бабусі, в старій хатині
Де висіла картина "Катерина"

І ці фотографії неба України
Збивають мене наповал
Я втрачаю спокій, коли їх бачу
Встаю, зачинаю вікно
Закриваю свій життєвий простір
Для тих хмарин на хвилину...
Мені важко дається не бути в Україні
